A Special Note About Cell Phones:

Our goal for your students during the week of camp is to remove the distraction of everyday life, and point them in God's direction! For that reason we will not allow students to carry cell phones with them during the week. If, as a parent, you need to contact your student during the week, Pastor Kevin's cell number as well as his wife's cell number will be given to all parents. Thanks for

understanding and encouraging your teenagers to enjoy a week without the distraction of a cell phone!
